RE: X.X. v. Arizona Unified School District; No. 12C-DP-00X-ADE

Dear Ms. Superintendent:

On August 1, 2011, Administrative Law Judge XXX issued a decision in the above-referenced special education due process matter. In that decision, Judge XXX ordered the Arizona Unified School District to do the following: (1) reimburse the parent \$2,000.00 for past tuition at ABC Academy; and (2) provide the Student with 20 hours of compensatory speech therapy services.

In accordance with the federal regulations that implement the Individuals with Disabilities Act (IDEA), the State Educational Agency is responsible for ensuring that the correction of noncompliance is completed no later than one year after the State's identification of noncompliance. [34 C.F.R. § 300.600(e)] To that end, I am requesting that you provide documentation that the District has complied with Judge XXX's order. Specifically, please provide proof that the District has reimbursed the Petitioner in the amount of \$2,000.00 for past tuition at ABC Academy and that the District has provided the Student 20 hours of compensatory speech therapy. You may send the documentation to my attention at the following address: Arizona Department of Education, Dispute Resolution, 1535 West Jefferson Street, Bin 62, Phoenix, Arizona 85007. Please submit the requested documentation by **November 1, 2011**.

Thank you for your cooperation and prompt attention to this matter. If you have questions, or if you require more time to compile the requested documentation, please do not hesitate to contact me directly.

Sincerely,

Kacey Gregson
