RE: Case No. 09-

####, Director of Special Education
School District

####, Wisconsin 5

Dear ###:

On ### (insert date(s) CAP received and date any required revisions received), the Department of Public Instruction received proposed corrective actions from the ### School District addressing the directives of the Individuals with Disabilities Education Act (IDEA) complaint decision dated ###. These corrective actions have been reviewed and found acceptable for addressing the directive(s) in the complaint decision. The district may proceed to implement its corrective action plan. Following implementation of all required activities, the district must submit to the department evidence of satisfactory completion of each activity in the corrective action plan. The department will close the investigation of this complaint following submission of this evidence.

Sincerely,
