RE: Case No. 09-###

####, District Administrator
School District

####, Wisconsin 5

Dear ###:

On ### (insert date CAP received and dates of all documentation received), the Department of Public Instruction received corrective action materials from the ### School District addressing the directives of the Individuals with Disabilities Education Act (IDEA) complaint decision dated ###. This corrective action has been reviewed and found acceptable in addressing the issue(s) of the complaint. The department has verified that all noncompliance identified in the above numbered complaint decision has been corrected within one year from the date of the decision.

This closes our investigation of this complaint. We appreciate the cooperation you have extended to department staff during the complaint investigation.

Sincerely,

DIVISION FOR LEARNING SUPPORT:
EQUITY AND ADVOCACY
